Affordable Monthly Payments for Your Project!

IN PARTNERSHIP WITH
FOUNDATION
FINANCE COMPANY

How To Get Started:

1. Get Prequalified.

A soft credit pull allows you to check your financing eligibility without affecting your credit score.*

2. Discuss Options.

If prequalified, we will discuss terms, along with any special promotions that may be available.

3. Complete Contract Documents.

We will send you the necessary paperwork to sign.

4. Talk with FFC.

After signing documents, Foundation Finance may call you within 24 hours to verify your info and terms.

5. Make Monthly Payments.

Once the project is complete, you can easily pay your monthly bill online, by mail or over the phone.

*Upon receipt of a completed credit application and executed contract documents, a hard inquiry (which may affect your credit score) will appear on your credit report.

About Our Financing Partner

Foundation Finance Company (FFC) is a leading provider of home improvement financing nationwide. They allow us to offer you the project you want while making low monthly payments over time.
